PRESCRIPTION DRUG COVERAGE
FOR RHODE ISLAND

Community Meetings

The Executive Office of Health and Human Services (EOHHS) and the Department of Elderly Affairs (DEA) invite you to participate in a meeting in your area to talk about your experiences with the Federal Medicare Part D prescription drug program.

We are interested in your comments and concerns. With your help, we will better understand the issues that face Rhode Island seniors and adults with disabilities enrolled in a Medicare Part D plan.

Please join us.
